### GET LOUD & GIVE THE GIFT OF SOUND!

Wear your brightest outfit **October 18 2024** and raise vital funds to help children and adults with profound hearing who access sound with cochlear implants.

What is Loud Shirt Day?

It is the national fundraising campaign for The Hearing House and the Southern Cochlear Implant Programme (SCIP) – the only two charities in New Zealand dedicated to supporting children and adults with cochlear implants as they learn to listen and communicate. Together, these two organisations support thousands of Kiwis in every region of New Zealand who access sound with cochlear implants.

Money raised through Loud Shirt Day will help The Hearing House and SCIP ensure everyone in New Zealand has access to lifetime cochlear implant support.

So how can you support Loud Shirt Day?  
It's never been easier to take part.

Tips to get started:

Invite your school, workplace, daycare, friends and whanau to take part. You can get LOUD with us by setting up your own individual team of fundraisers. Get the boss on board, challenge others and celebrate each milestone.

Spread the word! Follow Loud Shirt Day on Facebook and Instagram and share your fundraising efforts (and outrageous fashion choices) using the hashtag #GetLoud2024

Donate! Getting involved can be as easy as making a donation. [Click here](#) to make a one-off donation today and support all New Zealanders who access sound through cochlear implants

We want everyone to have the best Loud Shirt Day possible. If you have any questions, read our FAQs, see our Fundraising page, or email us at [loudshirtday@hearinghouse.co.nz](mailto:loudshirtday@hearinghouse.co.nz).
